The prayer of the petitioners is that the Vadagalays should not be allowed to put the Vadagale mark on the Moola Vigraha and some other Vigrahas in the temple of Gunja Narasimhaswami at Narsipur and that only Tilakams should be put on them.

A list prepared in 1874, of which an authenticated copy has been produced, the original not being traceable, shows that the Moola Vigraha and every other Vigraha in the temple, with the exception of the Utsava Vigraha which was bearing a Tilakam, had Vadagale marks on them. It is contended by petitioners who are Thenkalays that this Patti is incorrect for while the Moolavaru has a Tilaka engraved on its forehead, the Patti shows that it had a Vadagalay mark. Even if it be assumed that there is an engraved mark and that it is a Tilakam, the Panchayatdars who ~~took part in the execution of the~~ have signed the mahazar ~~said~~ only a Vadagalai mark evidently a silver mark stitched to the forehead with a bit of wax. It is highly probable that the Patti of 1874 is quite a credible document, for the Deputy Commissioner, Mysore District, has shown in the statement furnished by him with his letter No.560 dated 26th September 1891, that none of the Deities in the Gunja Nara-

Narasimhaswami temple at T.Narsipur had a Tenkale mark. If none of them had Tenkale marks, they must have had Vadakalai marks or Tilakams. There being no reason to think that an incorrect record was made in 1874, the proper conclusion to be arrived at is that the entries made in that year are correct. If a deity did not bear a Tenkale mark the probabilities are that it had a Vadakalai mark, because the use of Tilakams is not very common. Whatever may be the marks engraved on the stone images, all of them with the exception of the Utsavars were noticed by the Panchayatdars to be wearing only Vadakalai Namams in 1874, and this state of things has continued since.

The only evidence available (viz., the Patti of 1874 and the statement forwarded by the Deputy Commissioner in 1901) clearly shows that every Deity with the exception of the Utsava Vigraha, had a Vadakalai mark on. The use of a Tilaka can be ordered only when there is no clear proof of either the Vadakalai or the Tenkalai Namam having been used (Page 126, Muzrai Manual) but in this case there is clear documentary evidence to show that only the Utsavars had a Tilaka and that all the other Vigrahas were bearing Vadakalai marks. There is therefore no reason for directing that Tilakams

should be used on every one of the Vigrahas other than the Utsavaru. No case for an interference with a state of things which has existed at least since 1874 is called for.

Petitioners ought to be informed accordingly, but it is doubtful if any such endorsement should now issue, seeing that it is more than eight years since their petition was received. B

Perhaps the matter may be dropped for the present and the record returned to the Deputy Commissioner. If petitioners should send a reminder which they have not done till now, an endorsement in the terms detailed above may be sent. A

OFFICE OF THE DEPUTY COMMISSIONER,

Mysore, dated the 11th April 1918.

From

Offg. Deputy Commissioner,

Mysore District.

To

G. Aravamudu Iyengar, Esq., B.A., B.L.,

Joint Secretary to the Government of Mysore,

Muzrai Department, Bangalore.

Sir,

With reference to your official memorandum No.1376/Muz. 622-14-2 dated 3rd December 1915 forwarding for report petition from Krishnaiengar and other residents of T. Narasipur praying that the Vadagale Srivaishnavas of the place should not be allowed to use their mark on the Mulavarce and some minor deities in the Sri Gunjanarasimhaswami temple at T. Narasipur and only a Tilaka may be used instead, I have the honour to submit herewith correspondence ending with Nanjangud Sub Division Officer's yadi No.211 dated 16th August 1917, and to state as follows:-

2. From the records it will be seen that the Vadagales pray that they may be allowed to continue the use of their mark on the strength of a patti prepared so far back as 1874. It would appear that a contention arose even so early as then between the Srivaishnavas of both persuasions and that a sort of panchayat was convened at which representations of both the sections made and drew up a patti shewing the various deities in the temple bearing Vadagale mark on their foreheads. It would appear that in some instances, the silver mark had no reference to the engraved mark on the forehead of the stone deity. Shanbhog Narasimiya and others of the temple, who do not belong to either persuasions bear out that this patti represented the actual state of affairs at the time of the panchayat.

3. The Amildar is stated to have got the idols thoroughly examined in the presence of both parties and to have taken impressions in wax of the mark actually engraved on the foreheads of these deities. It transpired that a stone image had only the Tilaka engraved thereon and that the silver nama was attached to the forehead of the deity with the help of some wax. The Amildar, on the strength of all the investigations held, reports that the Vadagales may be allowed to use their nama as per the patti of 1874.

C

4. Mr. Rayaloo Chetty, the then Sub Division Officer at Nanjangud, reports that the patti in question has not the authority of Government sanction, the grant of any such permission to the Vadagale people might possibly give rise to frequent disputes between the two branches of the Srivaishnava people and to prevent which he recommends that a Tilaka only might be ordered to be used on the foreheads of the deities in question as has been ordered in the temples at Melkote, Mysore, Seringapatam and other places.

B

5. I could say that the Vadagale people have proved claim to use their namas from a mamool of more than 40 years ago. I refrain to make any specific recommendation on the ground that being a Vadagale Srivaishnava myself, any recommendation from me might be misconstrued by either side.

6. Early orders of Government are requested.

I have the honour to be,

Sir,

Your most obedient servant,

Offg. Deputy Commissioner,
Mysore District.

Adverting to the correspondence ending with your letter No.3605 Muz.622-14-6 dated 20th May 1919 re the missing of the patti of Namams said to have been prepared in the year 1874, in respect of the dieties of the Sri Gunja Narasimha Swamy temple at T.Narasipur, I have the honor to state that the Amildar of T.Narasipur taluk, after some correspondence, reports in his No 23 dated 29th August 1921 that a careful search was made in the taluk and temple records once again and the Namada patti in question could not be traced.

He further reports that on a reference to the records it is seen that on 10th August 1908, when the question of putting on namam, on the Dhwaja Pata came up before the then Amildar, Mr. Navarathana Rama Rao, an authenticated copy of the Namada patti referred to above, was produced by one Upadya Narasimhachar.
